

The Trees of Forest Lawn

An Overview and Walking Tour

Friday, June 25, 2010

2:00 pm

Forest Lawn is one of Western New York's largest Arboretums. There are over 3,700 trees in Forest Lawn, representing 200 different species and varieties.

Join William Snyder, Consulting Arborist for Forest Lawn Cemetery, as he takes you on a walking journey to view and discuss the many rare and beautiful tree specimens that are a part of the manicured landscape of the cemetery.

A brief discussion in the historic E.B. Green-designed Chapel at Forest Lawn will precede the walk.

The event is limited to 30 people.

Cost: \$7 per person.

Tickets may be purchased at the Forest Lawn office or by calling 885-1600.
