

Forest Lawn Membership Program

Effective June 25, 2018

Help to preserve and protect one of WNY's greatest cultural assets and enjoy valuable benefits.

Become a member of the Forest Lawn Heritage Foundation today.

Now you can join the many who value, understand and appreciate this special place in our community by becoming an annual member of the Forest Lawn Heritage Foundation. Your support will ensure that this cultural treasure will not only be preserved but enhanced for future generations to enjoy. **And now you can designate where you would like to direct your membership dollars — to support the facet of Forest Lawn that is of greatest interest to you (see below).**

When you do so, this will enable us to:

- Develop programs and tours that specifically address your area of interest.
